

13th INTERNATIONAL CONFERENCE ON SOIL MICROMORPHOLOGY

Chengdu, China
September 11-16, 2008

CALL FOR SUBMISSION OF JOURNAL MANUSCRIPTS

The Conference now calls for manuscript submission to journals. All submission should now be sent to the conference secretary, Dr. Xiong Donghong (13thicsm@imde.ac.cn; dhxiong@imde.ac.cn). Deadline is on Sept. 5, 2008. During the conference meeting, we will discuss the special issues arrangement, the editors and distribute the manuscripts to the editors.

The Conference will offer books on selected abstracts and tour guide in satchels. All selected abstracts including keynote speaking, session oral presentations and poster presentations are equally priority in the meeting-abstract publication (arranged by the 6-session order), and are equally priority to be selected for journal publication by the peer reviewers. We have so far connected with *Agriculture Ecosystem & Environment*, *Chinese Science Bulletin* and *Journal of Mountain Science* for publication issues. We expect someone contact with *Geoderma* for the possibility.
